ILE BRIGHT BENAJMIN

Full Stack Engineer (Mobile & Web Apps)

Mobile Number: +234 903 898 5432   eMail: hello.gojeje@gmail.com

No 59C Old Aba Road, Rumuobiakani, Port Harcourt,
Rivers State, Nigeria.

SUMMARY

I have been working as Mobile & Web App developer since 2010, the period during which I have worked in different environments, for big companies to start-ups. I am a self motivated and self-taught professional who likes to solve problems.

I merge a passion for usability and user experience with technical knowledge to create cool digital experiences. My repertoire includes programming languages and tools such as ReactJS, EmberJS, Mobx, Wordpress, SailsJS, MySQL, PostgreSQL, Nginx and Apache server configuration, SASS, Twitter Bootstrap, jQuery, Shopify and more.

EXPERIENCE

Full Stack Developer

Assanusiyyah College of Education

01—2010 • 2012 OsunState

As the first developer to integrate the team in this greenfield project, my goal is to create interfaces for students utilizing PHP, HTML, CSS + Sass, using MYSQL as our database management system.

- Use my extensive experience with front end development to define the structure and easy to use website, making sure that website can be fully customize to school interest.
- Keep the code quality high reviewing code from other developers and suggesting improvements.
- Interact with the designer to suggest changes and to make sure the view he has about the design is translated into actual functionality

EXPERIENCE

Full Stack Developer

Kusnap.com Web and Mobile App Project

01/2020 - 08/2020   Hong kong

I conducted target market research to scope out industry competition and identify advantageous trends. * Developed Working REST API for their classified ads solution using PHP/Laravel for their web app backend* and developed their front end using ReactJS.
